We are thrilled to welcome you and your family to Element Dance Arts! Please see below for information regarding the 2022-2023 season!

Registration/Admin Fee:

A once per year (July 1, 2022 – June 30, 2023) non-refundable registration fee of \$23+HST applies to each individual dancer that is registered.

Priority Registration:

Priority registration for current returning EDA families will be available ONLINE Monday June 27th – Wednesday June 29th, 2022. Those registered during this time frame will receive 5% off of their yearly tuition. Registration during this time frame will be limited to returning clients ONLY (from the 2021-2022 season). General registration will open Monday July 11th, 2022 for new and returning clients (who did not register during the priority registration time frame). Any registrations processed after the priority registration dates have passed will not qualify for the Priority Registration discount. Initial payment must be completed upon registration. Registration for all levels of programming will be available online. Please note that the directors must approve registration for any Full Time or Jumpstart level program. Priority Registration Discount DOES NOT apply to Mini Sessions (Movers & Shakers and Adult Classes).

Sibling Discount:

Account holders with multiple children dancing at Element Dance Arts are offered an additional savings, regardless of the time of year at which they register. The tuition of the dancer participating in the most technique hours per week is rated at regular cost. The second dancer, dancing for an equal or lesser amount will receive 5% off their tuition. Each additional dancer beyond the second, dancing for equal or lesser amounts will receive 7% off their tuition for the year. Dancers must be siblings. Sibling Discount DOES NOT apply to Mini Session programs.

Payment Plan:

All tuition pricing will be divided into 10 equal installments. The first installment is due upon registration and is required in order to hold your dancer's spot in class. Each subsequent payment is due on the first of each month (October 1st - June 1st). Initial payment options include VISA and M/C – payments to be completed online through a Square invoice. Pre-Authorized banking or credit card information must be provided at the time of registration for all subsequent installments.

*Please note: some months have more classes than others. Payment plans **do not reflect the number of classes offered per month** but rather an equal division of the full year's tuition amount.

Late Payment:

Interest on all overdue accounts shall bear interest at a rate of 5% per month (60% per annum). The 5% late fee will be applied to any payments received more than one-week past due. Failure to make a payment will result in the removal of your dancer from their class until all outstanding payments have been made.

NSF Direct Payments and Declined Credit Cards:

Any direct payments in which the account is deemed to have insufficient funds are subject to a \$25.00 service charge. Upon receiving notice of an NSF direct payment, payment must be remitted along with the NSF fee prior to your dancer's next class. Re-payment of direct payments must be made in cash, debit, credit card or e-transfer.

Withdrawal Policy:

We require one-week's written notice prior to the end of the term if you choose to withdraw your child from the program (Term 1: September – December 31st, 2022; Term 2: January 1st – March 31st, 2023; Term 3: April 1st – recital in June 2023). Refunds are based on term fees, even though tuition is paid on the first of each month. Any subsequent fees for remaining terms will be returned. No fees will be refunded if your student withdraws during the final term. **Registration fees are non-refundable. No fees will be refunded once a term has begun.**

In the event of a Pandemic

In the event of a pandemic and we are required to close the doors to our physical studio space, the remainder of the current month's classes will be transitioned to an online platform. No refunds will be given for the remainder of said month.

Prior to the start of the next month, you will be given the option of withdrawing due to the move to zoom, or continuing on the zoom platform.

Make-Up Classes

Classes that fall on a statutory holiday will not be made-up. Classes cancelled due to inclement weather will not be made-up. We always try our best to keep the studio open as long as it remains safe.

Classes cancelled due to teacher illness will be rescheduled at the earliest convenience, or alternate class options are provided. Families are notified of cancelled classes by email. Cancellations are also posted on our social media pages, and studio doors.

Year-End Recital

All students are invited to participate in our year-end recital (Mini Session program participants do not participate in recital). Every technique class will perform a choreographed dance. Any dancer participating in the recital must attend all performances for which their class is scheduled. In January of 2023, a recital information package will be sent home – at this time you'll be given the option to participate in our year-end recital. Those choosing to opt in will be financially responsible for a costume that is ordered for your dancer. Recital costumes can be expected to range in price, \$100-\$125 + HST. At this point, we have tentative recital dates during the stretch of time June 21-23, 2023 at the Humanities Theatre at the University of Waterloo.

Important Dates

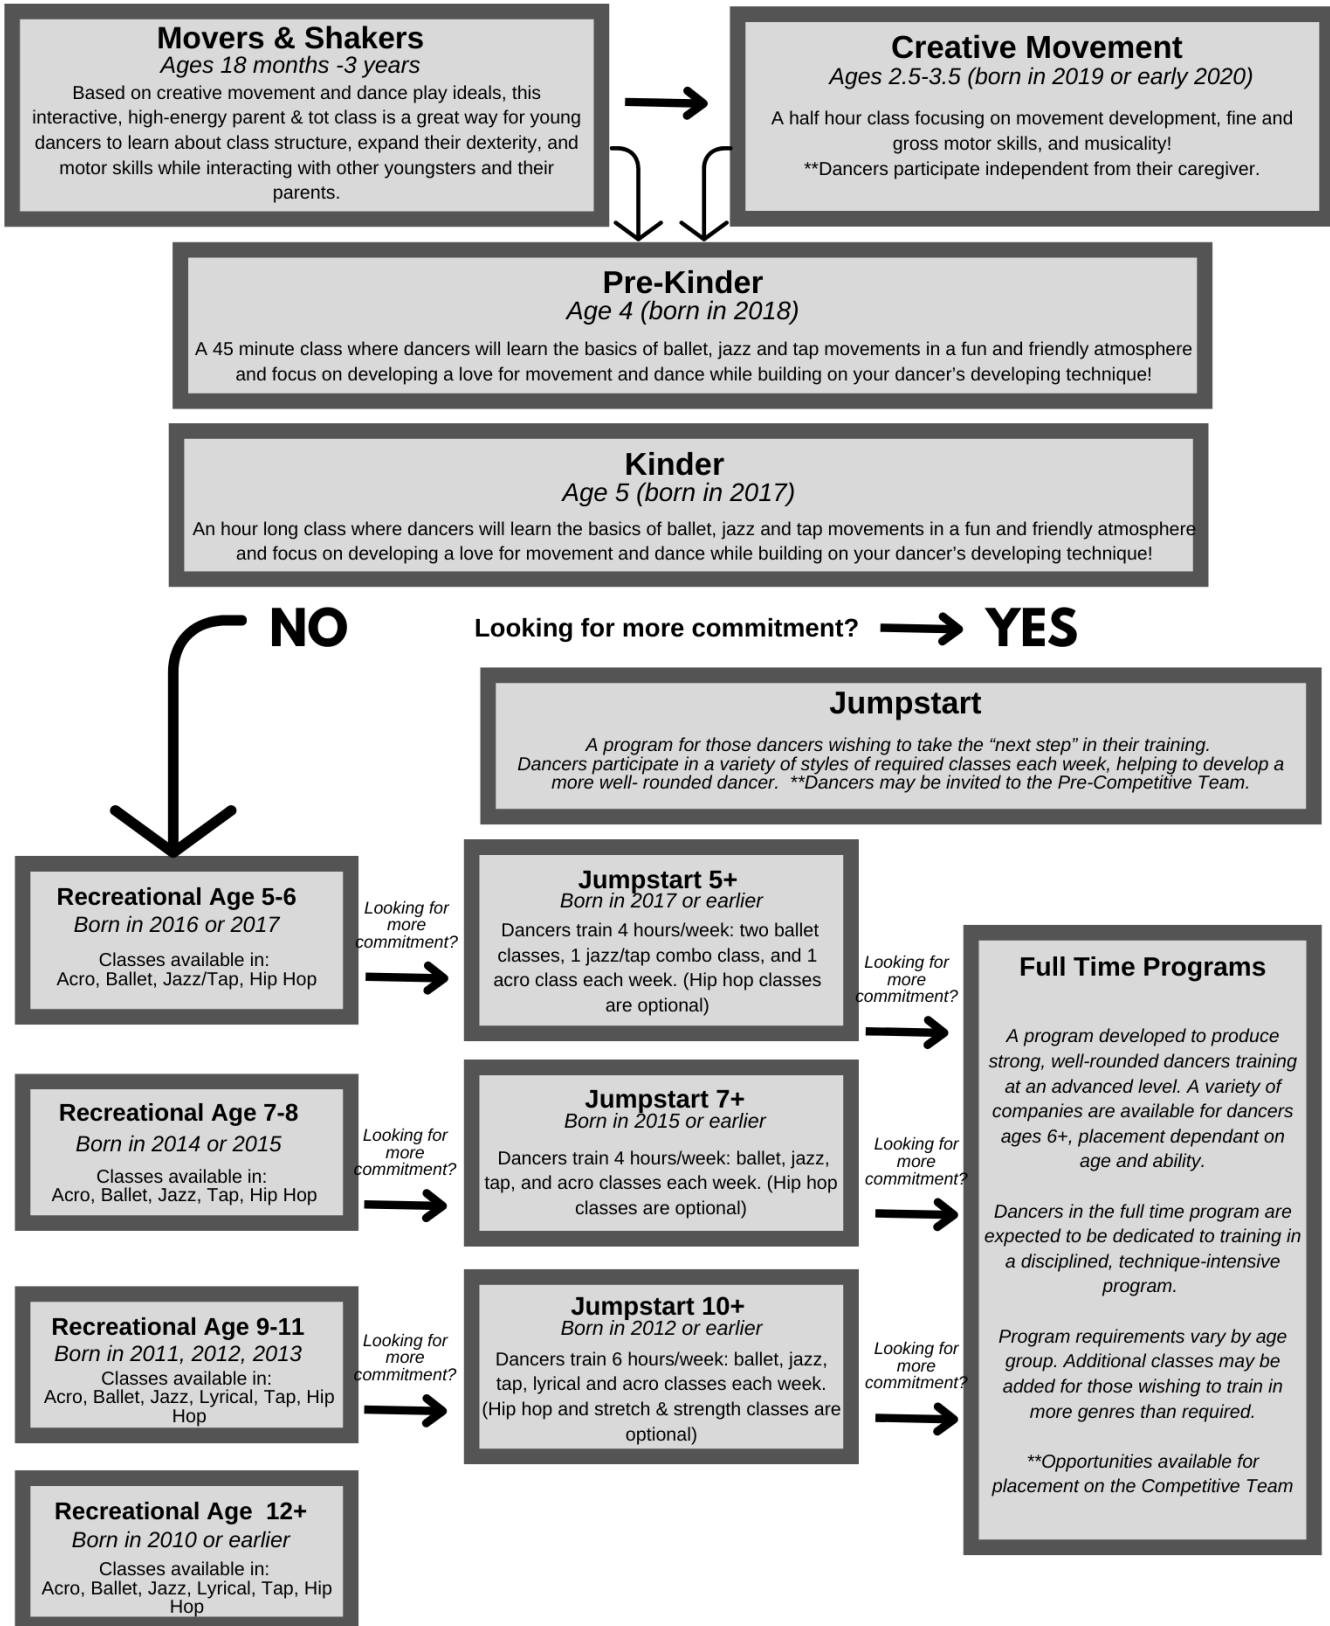

Classes Begin:	Monday September 12 th , 2022
Thanksgiving Monday:	Studio Closed ~ Monday October 10 th , 2022
