Letter From the Directors

As we sit down to write this letter, it is hard to believe that fifteen years have passed since the doors of Element Dance Arts first opened. What began as a dream has grown into a vibrant community filled with incredible dancers, families, teachers, and supporters. Today, as we celebrate this milestone, our hearts are filled with gratitude for the people who have made this journey so special.

Over the past fifteen years, we have had the privilege of watching thousands of young dancers walk through our doors. We have watched shy children find their confidence, teammates become lifelong friends, and students discover a love of dance that has shaped who they are. We have celebrated dancers who have gone on to pursue professional careers in the arts, and we have cheered on many others as they followed different paths and found success in countless fields. Regardless of where life has taken them, we are incredibly proud to have been a small part of their story. Watching these young people grow into kind, resilient, hardworking, and compassionate individuals has been one of the greatest gifts of this journey.

While dance is at the heart of what we do, it is the people who make Element Dance Arts what it is. We are fortunate to work alongside an extraordinary team of teachers and office staff whose talent, dedication, and passion inspire those around them every day. They pour their hearts into their classrooms and the dance studio, sharing not only their love of dance, but also the values of perseverance, teamwork, and self-belief. The impact they have on our dancers extends far beyond the stage, and we are endlessly grateful for all that they do.

As we celebrate this anniversary, we would also like to recognize the countless individuals who have worked behind the scenes throughout the years. Those who have spent hours rhinestoning costumes, sewing, painting props, volunteering at events, helping in dressing rooms, and lending a hand whenever it was needed. So much of what happens on stage is made possible by the dedication and generosity of people whose contributions often go unseen. This studio has always been built on a village of support, and we are deeply thankful for each and every one of you.

A special congratulations goes to our graduating dancers, Ciara Bagby-Sue, Alyssa LeLievre, and Maddy Arsenault. Each of these remarkable young women has spent much of her childhood growing up within the walls of the studio, and it has been an incredible privilege to watch them evolve into the talented, confident, and caring individuals they are today. While it is difficult to imagine the studio without them, we are filled with pride as they begin this next chapter of their lives, and we cannot wait to see all that they accomplish in the years ahead.

To every dance parent out there - thank you for trusting us and allowing us to share in your children's lives. Whether you have been part of the EDA family for one season or all fifteen years, you have helped shape the community we are so proud of today.

As you watch the performances on stage, we hope you see beyond the choreography and talented dancers. We hope you see the friendships, dedication, growth, memories, and love that have been woven into every moment. Together, we have built something truly special.

Thank you for an unforgettable fifteen years. We are honoured to celebrate this milestone with all of you, and we look forward to many more years of dancing, dreaming, and growing together.

With heartfelt gratitude,
Michele & Stephanie
